Mike Walker President

Here we are in 2021 and trying to get our club going again. Me, Mike Walker, and Phillip Vaughn have taken the positions of president and vice-president. I want to thank all the members who accepted leadership positions for our club. We tried to hold our first meeting of the year and were locked out of the American Legion. That was a bad start that won't happen again. There is much business that needs to be discussed and decisions to be made at our next meeting. It will be Tuesday, February 9 at 6:00 pm. Masks will be required. I hope there will be good attendance so we can get the club going again. There will be no food at the meetings at this time.

Our first cruise-in at Pizza Boyz went well, nice crowd, new owner, some new cars, visits with friends, three new members, door prizes, 50/50

and good music. Kermit Lawhorn has worked on the music wagon and it sounded great. It was a good club start for the new year. As of this writing, I am looking forward to the fifth Saturday Cruise-in at Woody's on January 30.

Our Car Show, March Madness will be Sunday, March 14 from 9:00 to 1:00 at the North Ocala Swap Meet and Car Show. It is just south of Citra off US 301. We need everybody to come and bring your car. The entry fee is \$20. Last year we made almost \$1000. All the money goes to our scholarship fund. I am looking forward to seeing everybody. I have missed you all. Please stay safe.

WELCOME BACK! We have all missed getting together with our car club friends, now's the time to get our club rolling once again!

Our Pizza Boyz Cruise-In was a terrific way to get started! What a way to show up and support our club!

Our 5th Saturday Cruise-In at Woody's was another successful get together, thanks to everyone who came out and a special thanks to Carol and Kermit Lawhorn for their work for the club. The music wagon and our photos on Facebook are happening due to their efforts.

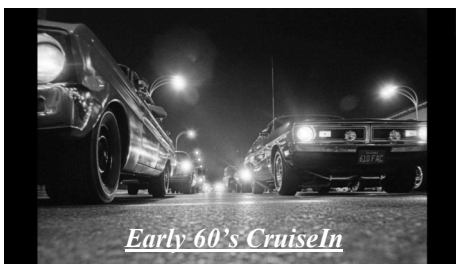

We're not sure how long the pandemic will let us keep our schedule but if we all are careful (wear our masks & wash our hands) we will keep going as long as we are safe!
